3

SELECT STABILISER

Flite 500

Most stability (best suits Crusier 1800)

Flite 290

All purpose stability (all boards + wings)

Flow 245

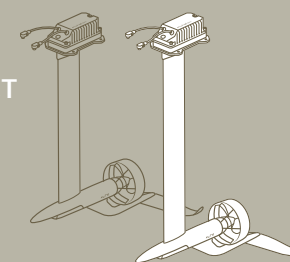

More agility (suits PRO & ULTRA)

Race 200

Most agility and speed (suits ULTRA)

4

SELECT MAST

60cm mast length

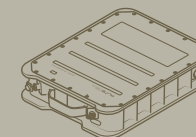

More user friendly
*Fliteboard AIR is compatible with
60cm eFoil mast only

75cm mast length

Better for carving tighter turns
Easier to use in choppy waters
